If you can help in any way, please let us know after the service today and pass along your name so we can get planning for this special event. Thank you!!

Thank You from Boomer and Izzy

Thank you to everyone who have donated yarn/wool or who have knitted Boomer Caps and Izzy Dolls. **To date we have sent 20,101 caps/dolls to third world countries!!** This project would not have been such a success if not for so many committed people, like you. To continue this ministry, we are in need of more wool/yarn. If you have some used or unwanted yarn/wool, it would be greatly appreciated if you could donate it to this worthwhile project. It can be left at the Parish Office or call Mabel at 834-1390 for pickup. Thank you for the LOVE you have shown by participating in this project. You have brought smiles and comfort to thousands of underprivileged children!!

St. Peter's Church Library

We are excited to begin a new Ministry at St. Peter's that we hope will benefit both young and old. We will enjoy the benefits of a lending library in our own church. It will be housed in the vestry of our church, available for all to access. We will be looking for your help in starting this literary adventure. If you have any gently used books that are fairly current and are willing to donate we would greatly appreciate it. Or if you are shopping and see a great book feel free to buy and donate to this great ministry. We are looking for topics such as: inspirational, self-help, mindfulness, grieving/loss, addictions, healthful living, family relationships, parenting, recipe books, and joyful books. These can be adult or children's books. Any books or donations may be dropped at the parish office. If you wish any further information please contact Colleen Reid 240-1209 or colleenreid@nlesd.ca We look forward to sharing and reading at St. Peter's.

St. Peter's History Did you know?

Sketch of the old Church

Above is a sketch of the 'old Church,' (circa 1900) prior to the construction of our present day St. Peter's.

Electric lights were installed in the Church in 1922, however, they were found to be somewhat inadequate. This problem was not corrected until 1934 when the Women's Association of Seal Cove paid for the installation of extra lights. At some time during the 1920's the clergyman's means of transportation changed from horse to the horseless carriage. It is not known in what year that the car was purchased or the price. However, the 1927 minutes show that a motion was passed to auction the old car for not less than \$60. A decision was made to purchase a new car the following year and envelopes were sent out to parishioners requesting money to pay off the debt. In 1932 there was \$235.00 still owing.
