

**Appendix A:
CHURCH ATTENDANCE RULES**

Vulnerable persons (over the age of 60 or at risk due to an underlying medical condition), are at greater risk to their health and life if they contract COVID 19. If you are a vulnerable person, carefully consider if you should attend an in-person worship service.

You must register prior to attendance and by so doing accept and agree to abide by these rules and other directions given to you by parish authorities.

Attendance is at your own risk.

Maintain physical distancing of 6 feet or more with all outside your household.

Use hand sanitizers provided before taking your seat.

Sit only in spaces designated by the parish.

Masks are mandatory except for those under the age of 5 and those with physical or mental conditions that prevent the wearing of a mask. Masks may be removed while you are seated or when receiving Communion.

No singing.

No physical touching with other attendees other than those in your household.
