Message from our Treasurer

Dear Friends,

Covid 19 is still with us, however our church is open for Church each Sunday at 10:30 am and it is good to see many of our parishioners attend this service. We are getting close to our maximum capacity for Department of health rules; therefore, it is very important if you are planning to attend a service to register not later than 12:00 noon on Friday previous to the service. The new Audio-Visual equipment is now installed in our Church, so services are available to those who wish to watch from home on FB live and YouTube. We continue to receive good monetary support from Church Services and other options are available to give if you wish. At a recent vestry meeting, discussion took place in respect to the possibility of having fundraising activities this fall. The decision reached was that since we could only have a minimum amount of people in attendance (in accordance with COVID-19 protocol) it was decided that fundraisers were not feasible. This means that the thanksgiving supper and auction, fall fair and MSC supper had to be cancelled for this year. Approximately 10-12 thousand dollars which was budgeted in our church finances will not be forthcoming due to these cancellations. ***Vestry did agree that a letter be sent to our church families seeking donations to offset this shortfall in order to meet our financial obligations. You should receive this request in the mail***

in the next few days and we would appreciate if you would consider this special appeal to keep your Church going. Thank you. **Ray**—*St. Peter's Treasurer*
