### You Purchased 36 Goats

#### Bahahahahahaha

A big shout out to the Parishioners of St. Peter's who provided sufficient funds to purchase 36 goats through the Anglican Church's Primates World Relief and Development Fund. These animals will find their way to needy families in underdeveloped countries. Just look below at the difference you will make:

### A PWRDF Goat Success Story

Through a food security program that was matched by Global Affairs Canada, Mwamedu received a pair of goats, and his life changed immediately. The nanny goat produces milk daily. The Maigas consume one litre and sell the surplus milk to people in a neighbouring village. This steady income allows the family to pay school fees for the children, and to buy drugs and food staples to enrich their diet. Once his goats had bred, Mwamedu passed the first baby goat on to another family in need, as is the practice in the program. Passing it on not only benefits one family, it benefits whole villages and beyond. Mwamedu now has six goats. The five nannies produce up to four litres of milk a day. *Source: PWRDF*

### Choir Practice

Choir practice will take place each Thursday evening at **6:30pm**. under the direction of Choir director, Elizabeth Brumm. Returning and new members welcome.

## Message from St. Peter's Treasurer

**Church Family and friends,**

As many of you know, I am currently hospitalized awaiting heart surgery which is scheduled for Monday morning.

I have written many messages for the weekly bulletin since COVID-19 became a part of our everyday lives and would like to continue these

communications now and during my recovery, though I will be absent from Church activities for a while.

This worldwide pandemic has created anguish for many, and Church's are no exception. Once again, and I cannot say it enough, on behalf of Rev. Bill, wardens Ralph and Albert and all Vestry members how grateful and humbled we all are with your continued financial support of your Church. I have faith that we will come out of the difficulties of COVID stronger than ever. Our best is yet to come! And I know, you all share my thoughts on this matter.

As previously reported, we ended 2020 with all bills paid and have started the new year with a positive bank balance. We would not have done this without you, the parishioners, and supporters of St. Peter's.

So, once again, I extend my sincere thanks to one and all and look forward to seeing and worshipping with you soon. May God continue to bless each one of you.

Sincerely,  
Raymond Gregory.  
Treasurer
