#### **You Purchased 36 Goats**

##### **Bahahahahahaha**

A big shout out to the Parishioners of St. Peter's who provided sufficient funds to purchase 36 goats through the Anglican Church's Primates World Relief and Development Fund. These animals will find their way to needy families in underdeveloped countries. Just look below at the difference you will make:

#### **A PWRDF Goat Success Story**

Through a food security program that was matched by Global Affairs Canada, Mwamedu received a pair of goats, and his life changed immediately. The nanny goat produces milk daily. The Maigas consume one litre and sell the surplus milk to people in a neighbouring village. This steady income allows the family to pay school fees for the children, and to buy drugs and food staples to enrich their diet. Once his goats had bred, Mwamedu passed the first baby goat on to another family in need, as is the practice in the program. Passing it on not only benefits one family, it benefits whole villages and beyond. Mwamedu now has six goats. The five nannies produce up to four litres of milk a day. **Source: PWRDF**

#### **Choir Practice**

Choir practice will take place each Thursday evening at **6:30pm.** under the direction of Choir director, Elizabeth Brumm. Returning and new members welcome.

### **Happy New Year from Treasurer Ray**

**Church Family and friends,**

As we just concluded another Christmas Season and the celebration for the birth of our Lord, we are also coming to the end of 2020 and another Church year. This has been a year in the world where the COVID-19 pandemic has changed the whole structure on how we live as a people. Many millions are suffering and dying because of this dreadful disease. Thank God that in our

province and our parish we have been blessed. On behalf of Rev. Strong, Rev. Letto, Church Wardens and vestry members and especially our office administrator Jack Morgan, we are so grateful to all who have contributed to the upkeep of our Church and parish, both financially and otherwise during this past year. As I have expressed in my weekly notice in the bulletin, our fundraising efforts for the year had to be cancelled. However, you as parishioners, in so many ways (Collection plate, pre-authorized giving's, drop box, email transfers & post office) have gone above expectations and each of you should be so proud of your accomplishments for your church, St. Peters and all outreach projects we support

Many good things have happened this year in our parish. 1). Our land at Hopewell Gardens have been sold and proceeds from the sale has been invested through Anglican Joint Investments and we will receive the dividends from these funds in the coming years (further updates in the year end reports). 2). New audio/visual equipment has been purchased and installed in the Church to meet the guidelines of the health department and our diocese so that services from our church can be transmitted to our elderly and shut ins via Facebook and YouTube. 3). New disinfection equipment has been purchased for use in cleaning our Church after each service, especially with the frequency of Christmas services. 4) A new computer has been purchased for our office for the use of our Office Administrator.

After all those major expenditures, I am also incredibly grateful to the Afterschool program, the ACW, the Men's Service Club, Mr. Fred Dinham, Finance Officer of the Diocese for his support in obtaining the Wage Subsidy funds from the Federal Government and to all others for their support. I am pleased to say that as the year 2020 ends, financially, St. Peter's Parish will end up with all invoices paid and with a positive bank balance.

Many blessing to all this Christmas Season and best wishes for the New year,  
Raymond Gregory.  
Treasurer

### **Thank you from St. Peter's ACW**

St. Peters would like to send it's heartfelt gratitude to all those who supported their recent fundraisers for St. Peter's – the little Socks Christmas Campaign and Christmas Planters. It is with great pleasure the ACW will be able to contribute \$2,500 to our Church this year, which includes \$705.00 towards the recently purchased sanitizing equipment.
