**Message from St. Peter's Treasurer**

It's been sometimes now since I addressed a note to the bulletin. So, after some discussion with Jack, here I am.

I trust that everyone has enjoyed our warm weather this summer, even though we are still living with and still restricted by COVID-19, with more pandemic related problems coming our way.

I am pleased to say that we have accomplished many good things at St. Peter's since my last report. Here are the highlights:

- New Chain Link Fencing have been installed along the roadside of our property. Total cost: \$7,043.00 with payment as follows: \$3,510.00 for portion of fence in front of cemetery – paid from the cemetery fund. \$3,533.00 for portion of fence in front of Church/Parish Hall – paid from the building fund.
- Paving of parking lot & all entrances to the Church & Parish Hall - \$42,682.00. This money was withdrawn from our AGI Investments which originated from the land sale of Hopewell Gardens property. The painting of the parking lot lines is still to be completed. This work is now being looked at by one of our parishioners familiar with this type of work.
- Cemetery Maintenance. Under the direction of Mr. Albert Morgan and our student, Joel Crews, the cemetery grounds were kept in excellent shape this past summer. Someone said to me: "This is probably one of the best kept cemeteries in the province."

#### **Finances to the end of August**

The unrestricted income shows \$166,240.00 (to end of August), however this includes the \$45,000.00 we received from AJI for the paving project, leaving \$121,240.00. Our budget for the same period was \$134,883.00, leaving a deficit of \$13,153.00 to the end of August. Because of a good surplus beginning 2021, we still have an operating fund of some \$16,473.00, with all invoices paid to August end.

Since there is no fundraising planned for the fall, other than the ACW Decorative Pot Sale for Christmas, we will need to receive added contributions to keep us financially stable.

At our vestry meeting in September, members spoke of sending a letter to all contributors, outlining the monetary position of our church, and respectfully asking for their support to offset our projected year end deficit.

Many thanks to all who contributed or helped in any way here at St. Peter's since my last report. You are all the very best!!

***God Bless,***

***Raymond Gregory, Treasurer.***
